### APPLICATION PROCEDURES ~~~~ PLEASE READ CAREFULLY

**Students may apply to more than one specialty program or school and should consider doing so because a lottery may be necessary in the 1<sup>st</sup> choice program.** Each program requires a **separate** application. Order of preference must be indicated below and should be the same on all applications. Students not accepted by their first choice will be considered for other programs in the order they are listed.

In order of preference, please list ALL specialty programs or schools to which you have applied.

TRANSPORTATION DEPARTMENT

SPECIALTY PROGRAM TRANSPORTATION INFORMATION FORM

The Transportation Department's mission is to provide safe and on-time transportation for Prince William County students. In order to provide this service for the specialty programs, please complete the following information. Accurate and complete student information will assist the Bus Operations Section in allocating drivers, buses and establishing express bus stops for all eligible specialty program students before the school year begins.

Express bus stop service differs from regular neighborhood service in that the parents have full responsibility to provide transportation to and from the express bus stops. Express buses stop at express bus stops only. Students living within the boundaries of the specialty program school may ride their regular bus to school.

(See available Express Bus Stops)

If your child does not require express bus transportation, please check the box.

Requested express bus stops are not guaranteed. Express bus stops will be established based on criteria by the Office of Transportation Services.

Once an express stop is established, it will remain in effect for the entire school year unless there are no students.

If you have any questions or concerns related to specialty program transportation, please contact Mary Hayes (571.402.3916).

This form must be completed and returned with the Specialty Program Application to the Specialty Program Coordinator.

## INFORMATION PAPER

1. Purpose: To provide information regarding bus transportation for students attending Specialty Programs.
  2. Facts:
    - a. Definitions:
      - (1) Regular Bus Service – consists of neighborhood bus stops and routes within the host school’s boundaries.
      - (2) Express Bus Service – consists of bus stops at selected schools, libraries, or other School Board/County facilities outside the host school’s boundaries but within the specialty school’s boundaries.
    - b. In-Boundary Specialty Program Students are students who live within the host school’s boundaries.
      - (1) Student may use the nearest regular bus stop.
      - (2) Student may be required to walk up to one mile to the bus stop or school.
      - (3) Unless the parent or school notifies the Office of Transportation Services, a regular bus stop can be eliminated if not used for five (5) consecutive days.
    - c. Out-of-Boundary Specialty Program Students are students who live outside the host school’s boundaries but within the specialty school’s boundaries.
      - (1) **It was not envisioned or intended that Specialty Program Students would, in all cases, be able to walk safely to and from express bus stops. Parents are responsible for the student’s safe transport to and from the express bus stop.**
      - (2) Buses will stop only at established express bus stops.
      - (3) No special or neighborhood bus stops will be established.
      - (4) Student can use any established in-boundary express bus stop or a host school’s regular bus stop.
      - (5) Unless the parent or school notifies the Office of Transportation Services, an express bus stop can be eliminated if not used for five (5) consecutive days.
    - d. **Express bus stops will be established at express bus stops where six or more students have selected the stop. If your Specialty Program Coordinator has not contacted you by June regarding the express bus stops established for the 2019-20 school year, you should contact the Specialty Program Coordinator.**
    - e. Students who move outside of the specialty school’s boundary area after school begins must use an established in-boundary express bus stop, host school’s regular bus stop, or be taken to the school by the parent. Express bus stops will not be established outside the specialty school’s boundaries.
    - f. During the two weeks before and after school starts, no express stops will be added that will change the route or schedule by five (5) minutes or more.
  3. The Office of Transportation Services point of contact is Mary Hayes, Specialty Program Computer Scheduling Technician, 571.402.3916.
